

PAVED TRAIL

MISSION ISLAND MARSH CONSERVATION AREA

Lakehead Region Conservation Authority

THE PROJECT

The Lakehead Region Conservation Authority (LRCA) has retained Hatch Corporation (Hatch) to design a paved, wheelchair accessible trail loop compliant with all Accessibility for Ontarians with Disabilities Act (AODA) standards at the Mission Island Marsh Conservation Area.

The existing trail network in consideration consists of 480 metres of existing gravel surface that is to be paved. Additionally, there is 105 metres of existing asphaltic surface that is to be regraded and resurfaced. The trail network is expected to meet or exceed the AODA compliance requirements.

PUBLIC CONSULTATION – OPEN HOUSE

The purpose of meeting is to gather feedback from the community, user groups, agencies, etc., to assist in development of the paved trail loop at the Mission Island Marsh Conservation Area.

LRCA staff and Hatch representatives will be available to discuss this project with you.
