

**NOTICE OF REPLACEMENT OF
“Environmental/Health/Other Interests of the General Public”
REPRESENTATIVE
on the
Lakehead Source Protection Committee
Under O. Reg. 288/07, Clean Water Act, 2006**

Replacement of the “Environmental/Health/Other Interests of the General Public” Representative: The Lakehead Source Protection Authority is seeking one representative from the above noted category to sit on the Lakehead Source Protection Committee for a term of three years.

Summary of Functions of the Source Protection Committee: As outlined in the *Clean Water Act, 2006*, the Lakehead Source Protection Committee has been created according to the provincial regulation and appointed by the Lakehead Source Protection Authority. The Lakehead Source Protection Committee has developed a Source Protection Plan to protect municipal drinking water sources located in the City of Thunder Bay and Municipality of Oliver Paipoonge. The Committee’s ongoing responsibility is to review the effectiveness of implementation of the policies in the Approved Source Protection Plan. To accomplish this, the Committee will review and comment on the Source Protection Authority’s Annual Report to the Ministry of Environment, Conservation and Parks. The Committee may also be required to update the Assessment Report and Source Protection Plan as required by the *Clean Water Act, 2006*, and its associated regulations. It is anticipated that there will be two Source Protection Committee meetings per year.

How to Apply for Appointment to the Committee: If you are interested in being considered for appointment to the Lakehead Source Protection Committee, please submit an “Expression of Interest” form with a brief summary of your interests and background by 4:30 p.m. October 29, 2018 to the:

Lakehead Source Protection Authority
